1987 MILESTONE

January — Jennifer Dodge won honors at the National Snowshoeing meet in Ottawa by establishing two world distance records.

April — 8.7" of rain fell April 4-7, causing flooding and washing out the buttressess of Gregg Mill Road bridge. School was closed for two days.

May — The first of many cement cisterns for fire fighting purposes were accepted. On May 21, Sandra Gallup received the Tufts Distinguished Citizen Award for her volunteer community recreation service.

June — Ground was broken for the addition to Central School. A fund drive with a goal of $10,000 for a defibillator for the Rescue Squad was reached. The Town purchased a 1987 International Dump Truck with plow and wing.

July — Betty Hooper retired after serving 23 years as Tax Collector and secretary to the Selectmen and was honored by a retirement party in October. On July 31 and August 1, Franziska St. Cyr, a nine year old, 5th grader at the Central School, won the 1987 U.S. Baton Twirling National Title in Milwaukee, Wisconsin.

October — The house of Tim and Judy Knight on Mont Vernon Road was destroyed by fire and in the same week, Danny Townes' home on South Hill Road was also destroyed by fire.

1988 TOWN WARRANT
The State of New Hampshire

To the inhabitants of the Town of New Boston, in the County of Hillsborough qualified to vote in town affairs:

You are hereby notified to meet at the New Boston Central School in said New Boston on Tuesday the eighth day of March next. Polls will be open at 8 o'clock in the forenoon to take up Articles 1 and 2. Balance of the warrant will be taken up and voted upon at 7 o'clock in the afternoon. Polls will close at 7:00 p.m.

1. To choose all necessary officers for the ensuing year.

2. "Are you in favor of the adoption of Amendment as proposed by petition for the Town Zoning Ordinance as follows: Residential Adult Manufactured Housing District. Pursuant to RSA 675:4, III the New Boston Planning Boards states, that it is not in favor of the petition to amend the Zoning Ordinance to provide for the Residential Adult Manufactured Housing District as proposed.

3. To see if the Town will vote to raise and appropriate the sum of $420,000.00 to complete the closure of the landfill and complete the construction of the transfer station situated on Old Coach Road or act in relation thereto. (Majority Vote Required)

4. To see if the Town will vote to authorize the Selectmen to issue long term notes in the amount of $420,000.00 for a period of five (5) years to cover the appropriation made under Article 3 or act in relation thereto. (2/3 Ballot Vote Required)

5. To see if the Town will vote to raise and appropriate the sum of $340,000.00 for the purchase of the land situated on the South side of Old Coach Road directly across from the landfill consisting of approximately 51.98 acres or act in relation thereto. (Majority Vote Required)

6. To see if the Town will vote to authorize the Selectmen to issue long term notes in the amount of $340,000.00 for a period of five (5) years to cover the appropriation made under Article 5 or act in relation thereto. (2/3 Ballot Vote Required)

7. To see if the Town will vote to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sale to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the State may acquire a tax lien against land and buildings for unpaid taxes. (Majority Vote Required)

8. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

    1. Town Officers' Salaries
    2. Town Officers' Expenses
    3. Election & Registrations
    4. Cemeteries
    5. Town Hall & Town Office
    6. Property Assessing
    7. Building Inspector
    8. Planning Board
    9. Board of Adjustment
    10. Legal Expense
    11. S.N.H.P.C.
    12. T.C.S.W.M.D.
    13. Work on Town Tax Maps

14. Care of Town Grounds
15. Police Department
16. Fire Department
17. Civil Defense
18. Cost of Fires and Emergencies
19. Forest Fires
20. General Expense, Highway
21. Street Lighting
22. Summer Maintenance & Bridges, Highway
23. Winter Maintenance
24. Resurface Tarred Roads
25. Highway Block Grant (Road Construction)
26. Solid Waste Disposal
27. Ground Water Monitoring
28. Vital Statistics
29. Monadnock Visiting Nurse
30. General Assistance
31. Old Age Assistance
32. Library
33. Recreation Commission
34. Memorial Day
35. Conservation Commission
36. Forestry
37. Interest-Long Term Notes & Tax Anticipation Notes
38. FICA Contributions
39. Insurance
40. Unemployment Compensation

9. To see if the Town will vote to raise and appropriate $15,000.00 to the Conservation Fund as authorized by RSA 36-A:5 and authorize the Selectmen to accept private donations of land, interest in land or money to be deposited to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the New Hampshire Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the selectmen to apply for and accept the State matching funds under the LCIP for the purposes of acquisitions of the fee or lessor interest in conservation land. (Majority Vote Required)

10. To see if the Town will vote to open the Town Dump on Sunday's for the convenience of the citizens who may not otherwise utilize the facility. (By Petition) (Majority Vote Required)

11. To see if the Town will vote that the Planning Board members be elected positions: (with the exception of one appointed Selectmen as an ex officio member) rather than the preseent method of all members being appointed. If this procedure is adopted, the Planning Board members, (other than the appointed Selectman), shall be filled at the next regular Town Election pursuant to RSA-669:17. (Election by ballot) thereafter, a Planning Board member shall be elected for the term provided under RSA 673:5, II. (The term of an elected or appointed local Land Use Board member shall be three (3) years. The initial terms of members first appointed or elected to any Land Use Board shall be staggered so that no more than three appointments or elections occur annually in the case of a seventh or nine member board and no more than two appointments or elections occur annually in

the case of a five member board, except when required to fill vacancies.) (By Petition)

12. To see if the Town will vote raise and appropriate the sum of $75,000.00 for the purchase of a new road grader or act in relation thereto. (Majority Vote Required)

13. To see if the Town will vote to raise and appropriate the sum of $14,000 for the purchase of a new brush chipper or act in relation thereto. (Majority Vote Required)

14. To see if the Town will vote to increase the number of Library Trustees from six to seven, each Trustee to hold office three years as heretofore, the terms to be staggered so that in one year three Trustees are elected to three year terms and in each of the two succeeding years two Trustees are elected to three year terms. This change is made to bring the board of Library Trustees into conformity with RSA 202-A:6 as amended in 1987 which requires that elected Board of Library Trustees shall have an odd number of members. (To become effective Town Meeting March 1989) (Majority Vote Required)

15. To see if the Town will vote to adopt the provisions of RSA 72:1-C which authorizes any town to elect not to assess, levy and collect a residence tax. (Majority Vote Required)

16. To see if the Town will vote to raise and appropriate the sum of $8,000.00 for the purpose of purchasing land from Richard and Verna Hall or act in relation thereto. (Majority Vote Required)

17. To see if the Town will vote to raise and appropriate the sum of $10,000.00 for the purpose of contributing to a local household hazardous waste collection program or act in relation thereto. (Majority Vote Required)

18. To see if the Town will vote to raise and appropriate the sum of $150,000.00 for reconstruction of McCurdy Road or act in relation thereto. (Majority Vote Required)

19. To see if the Town will authorize the Board of Selectment to convey a certain parcel of Town Land located southerly of Middle Branch Road to Donald A. Chapman and to receive from Donald A. Chapman a certain parcel of land adjacent to Middle Branch Road to be annexed to the Town Land or act in relation thereto. (Majority Vote Required)

20. To see if the Town will vote to raise and appropriate the sum of $4,000.00 for the purchase of a new copying machine for the Town Office or act in relation thereto. (Majority Vote Required)

21. To see if the Town will vote to appropriate the sum of $26,000.00 plus interest for conversion of the Lower Town Hall to Town Office spaces and to authorize the withdrawl of this sum from Revenue Sharing Funds established under the provision of the State and Local Assistance Act of 1972 or act in relation thereto. (Majority Vote Required)

22. To see if the Town will vote to accept Foxberry Drive and Lincoln Drive in the subdivision of G & F Construction Phase II as a Town Class V Highway, upon acceptance by the Selectmen, Road Agent and Road Committee or act in relation thereto. (Majority Vote Required)

23. To see if the Town will vote to accept Jessica Lane in the Subdivision of Frank and

Dorothy Fillmore as a Town Class V Highway, upon acceptance by the Selectmen Road Agent and Road Committee or act in relation thereto. (Majority Vote Required)

24. To see if the Town will vote to accept George Drive in the Maurice Grenier Subdivision as a Town Class V Highway, upon acceptance by the Selectmen, Road Agent and Road Committee or act in relation thereto. (Majority Vote Required)

25. To see if the Town will vote to accept Cedar Drive in the E.J. Papp Subdivision as a Town Class V Highway, upon acceptance by the Selectmen, Road Agent and Road Committee or act in relation thereto. (Majority Vote Required)

26. To see if the Town will vote to abandon a section of Class VI road between Route 13 at a location near to Barss Enterprise so-called and Joe English Road just South of the home of Evelyn Barss or act in relation thereto. (Majority Vote Required)

27. To see if the Town will vote to authorize the Selectmen to sell at public action of administer property of the Town acquired by tax deed or gift, or to sell to the former owner upon payment to the Town of an amount not less than the sum total of the overdue taxes plus sale and administrative expenses, plus interest on the aggregate of the forgoing calculated at the rate of 18% per annum, or act in relation thereto. (Majority Vote Required)

28. To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants, which may become available during the course of the year, and also to accept and expend money from other governmental unit or private source to be used for purposes for which the Town may legally appropriate money provided (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditures of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town monies, all as provided by RSA 31:95b, or act in relation thereto. (Majority Vote Required)

29. To see if the Town will vote to authorize the Selectmen to hire Money to meet the necessary expenses of the Town or act in relation thereto. (Majority Vote Required)

30. To transact any other business that may legally come before the meeting.

Given under our hand and seal this third day of February in the year of our Lord nineteen hundred and eighty-eight.

Willard O. Dodge, Chairman
Theodore G. Olson
Thomas J. Mansfield

Selectmen of New Boston

MINUTES OF THE TOWN MEETING
March 10, 1987

Moderator David L. Nixon called the meeting to order at 10:00 a.m. Those gathered for the opening of the polls were led in the Lord's Prayer by Karen Hall and the Pledge of Allegiance by Herman Walker. The Moderator read Article 1 of the 1987 Town Warrant, the polls were opened, and work commenced under this article. It was announced that the remainder of the Warrant would be acted upon at 7:00 p.m.

Article 1.

To choose all necessary officers for the ensuing year.

Town Officers:

Selectman for three years	Thomas Mansfield, Sr.
Town Clerk for three years	Sandra Gendron
Tax Collector for three years	Sandra Gendron
Treasurer for three years	Karen Craven
Road Agent for one year	Lee D. Murray
Trustee of Trust Funds for three years	Louis B. Lanzillotti
Library Trustee for three years	Beatrice A. Peirce
	Paul H. Savoie
Fire Ward for three years	John E. Bunting
	George Owen St. John
Auditor for two years	Gary L. Luneau

School District Officers:

Member of School Board for three years	Frederick W. Green, Jr.
District Moderator for three years	David Woodbury
District Clerk for three years	Nonah Poole
District Treasurer for three years	J. Marcel LaFlamme
District Auditor for two years	Brian H. Towne

The polls were closed at 7:00 p.m. by Moderator Nixon, and the absentee ballots were then cast. The business meeting was called to order at 7:30 p.m. at the Fire Station, where more people could be seated. Moderator Nixon then introduced those officials present. They included Representative Roland Sallada, (Representative Elizabeth Moore could not be present due to family illness) the Board of Selectmen, Chairman Thomas Mansfield, Theodore Olson and Willard Dodge, Town Clerk and Tax Collector Sandra Gendron, her Deputy Margit Hooper, secretary to the Selectmen Betty Hooper, and her Assistant Linda Sizemore, Treasurer Karen Craven, Supervisors of the Checklist Sandy Gallup, Sarah Chapman and David Mudrick, Ballot Clerks Evelyn Barss, Rhoda Hooper, Ruth Dodge and Kathy Johnston, Police Officers David Ballou and Donald Sims. The retirement of Library Trustees Carolyn Todd and Dr. Samuel Brooks was announced as was the retirement of Harold Strong as Fire Ward, all were honored with a standing ovation. The Fire Department and Chief James Dodge were thanked for the use of their building, and John Colburn was thanked for his construction of the platform used by both the School and Town Meeting Officials at the Fire Station. Jennifer Philibotte was then introduced as this years' reigning Winter Carnival Queen and was applauded. Work then commenced under Article 2.

Article 2

To raise such sums of money as may be necessary to defray charges for the ensuing year, and make appropriations of the same.

1.	Town Officers' Salaries	$17,000.00
2.	Town Officers' Expenses	38,300.00

41.	Insurance	66,000.00
42.	Unemployment Compensation	100.00

*Those amounts changed from printed amounts in Town Report.

Motion was made by Selectman Mansfield to raise and appropriate $626,093.51 and in addition to appropriate $68,175.48 for a total budget of $694,268.99 to be raised and/or appropriated. This was seconded by Selectman Olson. Selectman Mansfield explained that two items were different from those printed in the Town Report and they were that Legal Expenses had been raised to $7,357.10 and the Fire Department budget had been lowered to $28,631.00. The Moderator allowed and encouraged questions to be asked regarding various expenses included in the proposed budget, and when voted the budget for 1987 was passed as proposed by the Board of Selectmen.

Article 3

To see if the Town will vote to raise and appropriate the sum of $100,000.00 to complete Bedford Road, or act in relation thereto.

Motion in favor of this article was offered by Selectman Mansfield and seconded by Selectman Olson. The Selectmen stated that the majority of the work on this project would be contracted out and that work would begin as soon as weather permitted. The article was passed as proposed.

Article 4

To see if the Town will vote to raise and appropriate the sum of $54,000.00 to purchase one new 1987 International Model 1954 cab and chassis, to be equipped with dump body, front plow, wing and spreader body, and to raise and appropriate the sum of $2,000.00 to purchase one used pickup truck from State of New Hampshire surplus properties. Both vehicles to be purchased for the Highway Department, or act in relation thereto.

Motion for the article was offered by Selectman Dodge and seconded by Selectman Mansfield. Selectman Dodge then moved to amend the article as printed to strike the words "International Model 1954" and insert the words "truck, 35,000 GVW." and after the words "State of N.H. surplus properties" add " of if satisfactory pick-up is not available then to apply up to but no more than $1,000.00 towards Road Agent's travel expenses." The effect of this motion, it was explained, would not limit the purchase of the large truck to a specific make or model. The motion on the amendment was passed, and the main article as amended was passed.

Article 5

To see if the Town will vote to raise and appropriate the sum of $16,565.00 and to withdraw and appropriate the sum of $24,000.00 from Revenue Sharing funds established under the provision of the State and Local Assistance Act of 1972, for the purpose of replacing the Depot Street Bridge, or act in relation thereto.

Motion in favor of the article was offered by Selectman Olson and seconded by Selectman Mansfield. It was pointed out by the Selectman that if this article were to pass then Article 6 would be passed-over. The question was raised concerning the dry hydrant that was disrupted by the temporary bridge. The Selectmen stated that they would look into its reinstallation. The Selectmen further pointed out that there would be monies coming in from the Federal and State Governments to help with the expense of replacing this bridge. When voted on the article was passed unanimously.

Article 6

To see if the Town will vote to appropriate the sum of $18,065.00 for the installation and rental of the Bailey Bridge on Depot Street and to authorize withdrawal for the amount from Revenue Sharing funds established under the provisions of the State and Local Assistance Act of 1972, or act in relation thereto.

Selectman Olson moved to pass-over this article, this was seconded by Selectman Dodge, and so voted.

Article 7

To see if the Town will authorize the Planning board to prepare, and from time to time to amend, a recommended program of Municipal Capital Improvement Projects projected over a period of at least six years, as authorized by RSA 674:5.

This article was moved by Harold Strong, Chairman of the Planning board and seconded by Selectman Olson. Mr. Strong spoke in favor of the article stating that public hearings would begin on the Master Plan in April, and that the program of Municipal Capital Improvement Projects was a part of the over-all picture and should be reviewed each year. The article was passed.

Article 8

To see if the Town will vote to raise and appropriate the sum of $200.00 for a commemorative plaque to be placed on the new Depot Street Bridge, in honor of Greg Peirce. (by Petition)

Motion in favor of the article was offered by Janet Nixon and seconded by Jay Marden. Moderator Nixon shared memories of Greg Peirce for those present who might not have known him. The article was passed by standing acclamation.

Article 9

To see if the Town will vote to raise and appropriate the sum of $4,500.00 to complete the Tax Map of the village area, or act in relation thereto.

The article was moved by Selectman Olson and seconded by Selectman Dodge. Selectman Dodge explained the status of the tax maps which are not in use. The center of Town needs particular attention, much of the information is sketchy and much time and leg work will be needed to complete the mapping of this area. He further stated that money would be needed annually to keep these very important and much used maps updated. When voted on this article passed.

Article 10

To see if the Town will vote to designate Scobie Road from Rte. #136 to the New Boston-Francestown line as a "Scenic Road" under New Hampshire RSA 231:157. (by Petition)

Motion for the article was offered by Barry Butler and seconded by Geoffrey Katz.

Barry Butler, speaking on behalf of the abutters, explained their desire to keep the beauty and integrity of the road and general area around the road, in particular the stone walls and trees. The abutters feared that there would be destruction of the area with the proposed subdivision of Country Views and the need to improve the roadway to accommodate future traffic. Mr. Butler further stated there was no intent to hamper the general maintenance of the road, just the desire to preserve the country scene.

Selectman Mansfield, speaking for the Board of Selectmen, spoke in opposition of the proposed article, their feeling being that the designation would indeed hamper the maintenance of the road and would not stop development or road improvements.

Discussion ensued as to the pros and cons of a scenic road designation and when voted on the article passed.

Article 11

To see if the Town will vote to designate Thornton Road as "Scenic Road" under the New Hampshire RSA 231:157. (by Petition)

Motion for the article was offered by Michael Humphries and seconded by Michael Cushman. Much the same discussion ensued on this proposed article as on the previous one. Town Counsel David Nixon elaborated on the "Scenic Road Law," explaining some of the procedures to be followed when improvements and maintenance was required on any roads under the scenic designation. When voted on a division was called for, 113 were in favor of the article, 82 opposed, and the article was passed.

Article 12

To see if the Town will vote to authorize the Board of Selectmen to sell, convey and transfer a portion of the so called "Victor Daniels Land" to the School District of New Boston, at such price and upon such terms as said Board of Selectmen, at its collective and sole discretion, may be deemed to be in the best interest of the Town and School District of New Boston, or act in relation thereto.

Motion for the article was offered by Selectman Olson, seconded by Selectman Mansfield. James Hansen moved to amend the article to read "Authorize the Board of Selectmen to lease a portion of the so called 'Victor Daniels Land' to the School District of New Boston, at such price and other terms, said Board of Selectmen, at its collective and sole discretion, may be deemed to be in the best interest of the Town and School District of New Boston, provided keys to the multipurpose building and scheduling for functions held therein are maintained by the Town Office Staff as is presently done for similar activities in the Town Hall." This was seconded by Loretta Caterino. Mr. Hansen explained that his purpose in presenting this amendment was to insure that the Town have control of the use of the multipurpose building.

Selectman Mansfield opposed the Hansen amendment stating that the committee established to present the building proposal had voted in one of its earliest meetings that the proposed building would be a school building run by school personnel. He further stated that as a result of the vote of the school meeting the previous Friday evening there would now be full-time personnel at the school to insure ease in scheduling. When voted on the Hansen amendment was defeated.

Vote on the main motion was **unanimously passed.**

Article 13

To see if the Town will vote to raise and appropriate the sum of $25,000.00 to convert the Town Hall into Town Office space, or act in relation thereto.

The article was moved by Selectman Mansfield, seconded by Selectman Dodge. Selectman Mansfield explained the need for larger Town Office space and whose offices would be included in this proposed conversion. It was his feeling that the present Town Office might be offered for the use of the Historical Society, but that the Selectmen would most probably retain the use of the present Selectmen's Office as a small community meeting room. It was stated that at this time there were no plans for the upper Town Hall as it now exists. When voted on the article was **passed.**

Article 14

To see if the Town will vote to raise and appropriate the sum of $4,000.00 for repairs to the Town Hall, or act in relation thereto.

Selectman Mansfield moved to pass-over this article, seconded by Jay Marden and it was so voted.

Article 15

To see if the Town will vote to raise and appropriate the sum of $7,000.00 to contribute to a local Household Hazardous Waste Collection Program. This program will enhance the proper disposal of hazardous household products such as paint thinners, solvents, pesticides, and the like or act in relation thereto.

The article was moved by Fire Chief James Dodge and seconded by Michael Richard. Fireman Michael Richard had served on a committee investigating this issue with members of surrounding communities and presented to the group what he felt was a need to raise the proposed money for such a program. Many households have in their midst chemicals which cannot be disposed of simply by tossing into the landfill without threat to the ground waters and soil contamination. This program would allow the collection of household chemicals and the disposal of said chemicals in a safe manner.

A site and time would be established whereby these chemicals could be brought by New Boston residents and picked up by a company who then would be liable for their safe disposal. Some of the money requested would be used for public education as to what chemicals are hazardous, and if all the money voted was not used it would be turned back to the general funds of the town. The program would most probably be offered annually at a cost to be determined after the first years' expenses could be established. The article was passed.

Article 16

To see if the Town will vote to instruct the Town Representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook Nuclear Plant shall be stored or disposed of within the Town of New Bosston unless or until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual town meeting by written ballot, or act in relation thereto.

The article was moved by Janet Nixon, seconded by Howard Towne and passed.

Article 17

To see if the Town will vote to raise and appropriate the sum of $1,400.00 to relocate the radio base tower for the Fire Department, or act in relation thereto.

Motion in favor of the article was offered by Fire Chief James Dodge and seconded by Asst. Fire Chief John Bunting. Asst. Chief Bunting stated that the tower would be relocated from a site on the Mansfield property to a site some 200' higher on Ridgeview Drive which was town property and more accessible if need be. Mr. Mackey an abutter to the proposed site, questioned whether such a tower would be a detraction to the area. Some discussion ensued, when voted on the article was passed.

Article 18

To see if the Town will vote to raise and appropriate the sum of $3,000.00 to erect road signs in the Town, or act in relation thereto.

Selectman Mansfield moved the article, seconded by Selectman Olson. It was stated that this money would buy approximately 40 signs and would do the main roads of approximately 1/3 of the Town. The article was passed.

Article 19

To see if the Town will vote to raise and appropriate the sum of $2,600.00 to enter into a septage disposal agreement, or act in relation thereto.

The article was moved by Selectman Dodge, seconded by Selectman Mansfield and passed.

Article 20

To see if the Town will vote to discontinue that portion of Clark Hill Road near the Kachavos Residence abandoned through relocation beginning at approximate state coordinate N177, 435 feet, E487, 810 feet and running Easterly along the former location of said road to approximate state coordinated N177, 395 feet, E488, 125 feet as allowed by RSA 238:1, or act in relation thereto.

The motion was offered by Selectman Olson, seconded by Selectman Dodge and so voted.

Article 21

To see if the Town will vote to authorize the Selectmen to return the right of way of that portion of Bedford Road adjacent to the Foster Residence, to Thomas and Elizabeth Foster, or act in relation thereto.

The article was moved by Selectman Mansfield, seconded by Selectman Olson and passed.

Article 22

To see if the Town will vote to accept Bessie Leavitt Lane in the subdivision of Wayne and Cathy Daniels as a Town Class V Highway, or act in relation thereto. (by Petition)

The article was moved by Selectman Mansfield, seconded by Selectman Olson. Selectman Mansfield moved to amend the article to read: insert after: "Town Class V Highway," "Upon acceptance by the Selectmen, Road Agent, and Road Committee." This was seconded by Elliott Hersey and passed. The main article as amended **passed.**

Article 23

To see if the Town will vote to accept Whippoorwill Road in the subdivision of Maurice Whipple as a Town Class V Highway, or act in relation thereto.

It was noted by Willian Brendle that the road spelling should be Whipplewill Road, this was voted to be changed by those present. The article was moved by Selectman Mansfield, seconded by Selectman Dodge. Selectman Mansfield moved to amend the article to read: insert after: "Town Class V Highway," "Upon acceptance by the Selectmen, Road Agent, and Road Committee." This was duly seconded and so voted. The main article as amended was **passed.**

Article 24

To see if the Town will vote to discontinue that portion of Dodge Road (Now a Class VI Highway) that exists from a point adjacent to the Oliver Dodge Residence to the intersection of Dodge Road and Lull Road. (by Petition)

The article was moved by James Dodge and seconded by George St. John. It was explained that this situation differed from a similar situation last year with the request of discontinuation of a road by Alan LaPenn largely because the surrounding land was owned by one party. The article was **passed.**

Article 25

To see if the Town will vote to authorize the Board of Selectmen to appoint the position of Road Agent pursuant to RSA 231:65, or act in relation thereto.

This same article was offered at last years' Town Meeting and much of the same feelings were expressed. Should the voters give up the right to choose the Road Agent and would the Selectmen have more control over how the roads were maintained if they had the power to appoint someone to the position. Sentiment was expressed that the Selectmen had the same authority over the position of Road Agent regardless of how the job was filled. When voted on the article was **defeated.**

Article 26

To see if the Town will amend Article 19 as voted at the Town Meeting of March 19, 1986 relative to a Trust Fund for receiving and holding money to upgrade water supplies for fire fighting purposes. Amended Article to read "To see if the Town will vote to establish a Trust Fund pursuant to RSA 31:19-a to receive and hold monies for the purpose of maintaining and upgrading water supplies and delivery systems for fire fighting purposes in New Boston. Said monies both principal and interest to be expended when a need is shown by a written request from a majority of the Board of Fire Wards New Boston Fire Department to the Board of Selectmen," or act in relation thereto.

Motion for the article was offered by Selectman Olson, seconded by Selectman Dodge. It was explained that by vote of last years' Town Meeting these monies would be treated as a normal trust fund and only the interest could be expended, this article would amend the wording so that the total monies involved could be expended. The article was **passed.**

Article 27

To see if the Town will authorize the Selectmen to apply for, receive and expend Federal or State grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private sources to be used for purposes for which the Town may legally appropriate money provided (1) that such grants and other monies do not require the expenditure of other Town Funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditures of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitations and expenditures of Town monies, all as provided by RSA 31:95b, or act in relation thereto.

The article was moved by Selectman Mansfield, seconded by Selectman Dodge and so voted.

Article 29

To see if the Town will vote to authorize the Selectmen to hire money to meet the necessary expenses of the Town, or act in relation thereto.

The article was moved by Selectman Dodge, seconded by Selectman Olson and so voted.

Article 30

To transact any other business that may legally come before the meeting.

Edward Colburn moved on behalf of the Finance Committee that a committee be appointed by the moderator to study the feasibility of having a full time police force in New Boston. This was seconded by Frederick Green. It was determined that the committee would consist of seven citizens and was vote to be established.

Marie Stanger asked for a status report on the closing of the landfill. It was explained that the plans had been prepared and sent to the State, but as yet had not been approved. It is hoped that the project will begin with the proper approvals and permits by the end of the year.

It was moved and duly seconded that the meeting be adjourned at 11:30 p.m. This was so voted.

Respectfully submitted,
Sandra Gendron, Town Clerk

**Amount of Tax Sale(s) sold to town held during current fiscal year, including total amount of taxes, interest and costs to date of sale(s).

FINANCE COMMITTEE REPORT 1988

On Saturday, 30 January 1988, the Finance Committee met in conjunction with the School Board and the Board of Selectmen to discuss the budgets of the various Town Boards and Committees that had been presented to us for review. Present were the three selectmen, two members of the School Board and all five appointed members of the Finance Committee had to leave early, but only after all of the votes were taken except on the School Budget. All Budgets had previously been reviewed with the organizations that originated them.

After eight hours of deliberation, we reluctantly recommend the following expenses for the town for the ensuing year. We recognize that the total town expenses, as written, will add approximately $9.00 to the tax rate. However, without cutting services, we feel obliged to go with this increase. Our few recommended cuts may reduce the increase by approximately $1.00.

Following are the Finance Committee recommendations with the vote (for-against-abstain).

SCHOOL WARRANT

Special Articles:

Upgrade the Fire Alarm System. $10,000 FOR (4-0-3)
Budget Deficit, $80,000 FOR (7-0-0)
Bond Payment $255,880 FOR (7-0-0)

Operating Budget - $1,918.000 FOR (4-2-0) one absent

TOWN WARRANT

Special Articles:

Purchase of land on Old Coach Road. Financed for 5 years, first payment to be made following year. Article as presented to the Committee read $340,000. Committee recommends $300,000 FOR (6-1-0).

Land Fill closure. Financed for 5 years, first payment to be following year. $420,000 FOR (7-0-0).

Copy machine for Town Office. $4,000 FOR (7-0-0)
Hall land purchase. $8,000 FOR (7-0-0)
Road Construction. $150,000 FOR (7-0-0)
Hazardous Waste. $10,000 FOR (7-0-0)
Town Hall conversion, money to be drawn from Revenue Sharing. $26,000 FOR(7-0-0)
Grader. $75,000 FOR (7-0-0)
Chipper. $14,000 FOR (5-0-2)
Elimination of the Residence Tax. FOR (7-0-0)
Possible loss of income $13,000

Conservation Commission Capital Reserve Fund. Committee recommends only $5,000 FOR (7-0-0)

The Committee recommends the Town Budget as printed with the following exceptions:

Police Budget as printed. $83,728 AGAINST (2.5-4.5-0)
Police Budget as recommended. $49,979 FOR (3.5-2.5-1)
(Difference is the additional cost of a full-time Police Dept.)
Library Budget as printed. $51,289 AGAINST (0-7-0)
Library Budget as recommended. $49,339 FOR (7-0-0)

(Difference is health insurance which is to be budgeted under the town health insurance.)

Members: Elliott Hersey, Chmn.
James Dane
John Young
Richard Hechtl
Bud Scott
Frederick Green, Sch. Bd.
Thomas Mansfield, Sel.

ROAD COMMITTEE REPORT

Projects for 1988:

1. Put on Finish Hot Top on last section of Bedford Road.
2. Finish graveling Old Coach Road from the Landfill going to the Francestown Town Line.
3. Straighten and widen Simon & Saul Leach Hill on McCurdy Road.
4. Widen and gravel Joe English Road from Meetinghouse Hill to McCurdy Road.
5. Skim Meetinghouse Hill Road, Bedford Road, Joe English, Old Coach, and Lull Road.

Richard Moody
George Daniels
George St.John
James Wipple

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

(Move radio base station and emergency power)

Article #2-19: Appropriated: $200.00 — Actual Expenditures: $ 47.00
(Forest Fires)

REPORT OF THE COMMITTEE TO STUDY THE FEASIBILITY OF A FULL-TIME POLICE FORCE

On June 11, 1987 Moderator David L. Nixon named the members of this committee: Loretta Caterino, Robert Belanger, Williard Dodge, James Dodge, Lee Murray, John Ballou and John Colburn.

At the first committee meting on August 20th, John Colburn was selected as Chairman and Robert Belanger assumed the duties of Secretary.

A comparsion study of six nearby towns was made - Antrim, Bennington, Francestown, Greenfield, Mason and Mont Vernon. The study included the estimated population of each town, the chief's salary, the number of part-time and full-time police officers, the number of cruisers, type of dispatch service used and the cost of department operations.

Of the towns usrveyed, only Francestown operates without a full-time chief.

Representative Roland Sallada helped our committee by contacting state agencies for study materials.

The Director of Police Standards and Training Council, Earl F. Sweeney, provided us with a great deal of practical information and advice on establishing a full-time police force.

During the course of our study, Chief Mark Shultz from Mont Vernon, Chief David Mancini from Bennington and Chief Christopher Joseph from Antrim met with us and gave us detailed information on how they operate their full-time police departments.

New Boston presently has a part-time police department consisting of a Chief and six (6) officers. They operate out of a police station having a chief's office, interrogation room, office area and two (2) holding cells. There are two (2) cruisers in operation. The budget for 1986 was $48,628.00.

Calls for service to the New Boston Police Department have increased by 58% since 1983. Goffstown dispatch informs us that there are times during the week that they have difficulty in getting an officer, either State or Town, to respond to emergency calls. As the population of New Boston increases so will these service calls.

Police work is becoming more dangerous and difficult. The increased risks of personnel injuries and liability lawsuits make it harder for towns to hire part-time officers.

Court appearances and the increasing volume of paperwork are infringing more and more on the valuable time of our current part-time officers.

The hiring of a full-time police officer, usually the Chief, could provide many advantages to the community. This full-time officer would be on-duty approxmiately 45 hours per week and on-call for another 10-12 hours. He would provide an increased visibility of police activity and be available to respond to calls and emergencies more readily. There would be more time to follow up on initial responses and better record keeping would provide more accountability.

When compared to the other towns in the study, our department is well organized, staffed and equipped.

Aside from the expanded cost, there appears no reason not to pursue the hiring of a full-time police chief to make better use of what we already have in place.

At our November 19th meeting it was voted unanimously by those present that it is definitely feasible for the Town of New Boston to have a full-time police chief and that recommendation is made to the Town.

A proposed budget for a full-time police chief has been prepared and submitted to the Selectmen.

Respectfully submitted,
John C. Colburn Chairman

LIBRARIAN'S ANNUAL REPORT
Year Ending December 31, 1987

1987 will be remembered as the year we watched the floodwaters of the Piscataquog River rise——twice. The second time it was really too close for comfort to the Library foundation and we were thankful for all who helped fill sandbags and move books and furniture "just in case." We were fortunate not to sustain major damage but we did need to repair the river wall and replace some parts to the furnaces.

It was also a year to expand our services as the town grew. We added Monday morning hours and worked to increase staff coverage. Some additional shelving was installed in the adult section to relieve crowded bookspace and we also put more shelving in the basement for storage.

Unfortunately this year brought the retirement of two trustees who had served for many many years. Carolyn Todd was first elected to the board in 1972 and she served first as treasurer and then as chairman of the board. Dr. Brooks was elected first in 1978 and he was treasurer for all the years he was on the board. Both worked tirelessly to make the addition a possibility. Their kind of dedication is what makes New Boston special and the Trustees held an open house in August to say thank-you to them.

The Friends of the Library also donate time and money to the Library. This year's gifts included a collection of video tapes which have proven to be extremely popular. They also helped purchase a snowblower for the Library and renewed a membership pass to the Museum of Fine Arts in Boston. The Friends Film society continued a successful second season on Friday nights.

This summer the Library and the recreation program cooperated on the summer reading program. The party at the end of the summer included awards and entertainment by a magician. In the fall the library and the Historical Society sponsored two programs with displays and speakers.

All in all it has been a busy year. Our circulation increased slightly even though the school visits - which accounted for a substantial number of books in circulation - were discontinued this fall. We continue to try to cooperate with the school as they build their library collection and hope to avoid expensive duplication whenever possible. 1987 was the "Year of the Reader" - New Boston has lots of readers who've discovered that the library is a great place to meet new friends, introduce children to books through story hours and use our many resources.

LIBRARY REPORT
For the Year Ending December 31, 1987

LIBRARY TRUSTEES:	TERM EXPIRES
Robert Rickey	1988
Paul Stanger	1988
Ken Wiggin	1989
William Mulligan	1989
Beatrice Peirce	1990
Paul Savoie (resigned 7/87 Carol Hess appointed to serve until town meeting)	1990

NEW BOSTON PLANNING BOARD

The Planning Board met the 2nd and 4th Tuesday of each month in the Conference Room at the Town Office building; and on the third Tuesday of some months in the Town Hall.

On June 25, 1987 a public hearing was held on the Master Plan for the Town and was accepted by the Planning Board as presented at the hearing by unanimous vote.

In November the Board organized the Capital Improvements Program (CIP) Committee which is made up of the following voting members:

Planning Board:	Harold Strong
	Ella Daniels
	Don Grosso
	Willard Dodge (ex officio)
	Mike Richard
Road Agent:	Lee Murray
Fire Department:	Daniel MacDonald
Police Department:	Lloyd Barss
Conservation Comm.:	Kevin McLarnon
Road Committee:	Richard Moody
Recreation Comm.:	Sandra Gallup
Library:	Paul Stanger
Central School Bd.:	Cathy Strausbaugh
Cemetery:	Thomas Mansfield

This committee has been meeting on the first, third and sometimes fifth Tuesday of each month since November and should have the final draft of the CIP prepared for a February 1988 public hearing date. The plan will then be presented to the Selectmen for approval and will be included in the annual budget. We would like to thank the CIP Committee Members for their volunteered time.

Planning Board Officers for the year were Harold Strong as Chairman, Ella Daniels as Secretary and Claire Dane as Recording Secretary. Willard Dodge filled the position of Selectmen Representative throughout the year. Other members were Walter Leach and Frank Crawford. The alternates to the board were Don Grosso and Mike Richard. In June, Frank Crawford and Don Grosso assumed each others positions and terms, and the Board welcomed Patricia Backman as Assistant to the Recording Secretary.

Expenditures:	
Xerox copies at .05 each	$ 18.85
Stationery supplies	7.03
	$ 25.88
Balance Petty Cash	$ .40

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are dues-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of New Boston during the past year are as follows:

1. Provided the Planning Board with a suggeted schedule for public notices and hearings pertaining to zoning and building code amendments;
2. Provided testimonies to the House and Senate committees of the 1987 session of the General Court on the HB 324, 192-FN-A, 58, 68, 231, and 381; and SB 52. These bills pertain to planning and zoning issues;
3. Updated the monograph for the Town of New Boston;
4. Co-sponsored the Municipal Law Lecture Series, to which New Boston officials were invited and attended;
5. Provided technical assistance in the development of a capital improvement program for the town;
6. Provided the Planning Board with materials on impact fees on site plans and major subdivisions.

New Boston's Representatives to the Commission are:

Mr. August Gomes - Term Expires 6/30/89
Mrs. Nonah Poole - Term Expires 6/30/88

Executive Committee Member: Mr.August Gomes

ASSISTANT ASSESSORS REPORT

1987 was another busy year for your Assessing Department! For the first time computers were used to compute your assessments. We transferred all current assessments to computer disks and the pickup changes (about 1000) were computer figured. We developed a condensed appraisal form for each appraisal, making it much easier for the tax payer to understand his assessment. This project took about 1200 hours to complete (not including hours of work by office staff in setting up the computer program for use by the Selectmen and Tax Collector). The Town blotter book, warrant book and the Tax bills are now fully computerized. The combined procedure, now completed, will be very helpful in avoiding math errors and omissions. Tax payers are welcome to visit the Assessor and see the new revised computer assessment report.

In 1988 the Assessing Department with assistance from the Selectmen's office plan to revise the current use record procedure. Tax payers with land in current use will be advised about complete details in coming weeks. We will appreciate the cooperation of all current use landowners.

During 1987 we collected in excess of $150,000 in current use penalties. This required a considerable amount of time making sales surveys of land sold during previous years to establish a basis for penalties. The amount collected shows the time on surveys was well spent.

Your Assistant Assessor wishes to thank the tax payers of New Boston for their excellent cooperation and kindness shown to the appraiser.

Compton French
Assistant Assessor

BUILDING INSPECTOR REPORT

1987 was another busy year in New Boston. The new inspection program started in 1986, seems to be working quite well. We receive excellent cooperation from all contractors and sub contractors and "do it yourself" builders. There are a few cases where residents do not understand that new rules require permits to do most changes. Time and education will solve this problem.

246 permits were issued January 1, 1987 through December 31, 1987, of these 71 were for new homes. The remaining were for new garages, barns, additions, renovations and minor changes. Total permit fees totaled $20,267.80. The department was in the "black" again after deducting the inspector fees, secretary costs and office supplies.

This will be my last report as Building Inspector. It is my plan to "retire" and devote my time to the appraisal work, which is becoming a year round position. I would like to thank everyone that has worked with me during the past two years and I trust everyone will cooperate as completely with your new inspector as they have with me. I truly believe we have fulfilled the purpose of the new Town ordinance, to improve construction quality in New Boston but not deny homes to all.

Compton French
Building Inspector

NEW BOSTON CONSERVATION COMMISSION

The New Boston Conservation Commission, along with the New Boston Fire Department and the New Boston Recreation Commission sponsored a hazardous waste collection day in October, 1987. The response by the people of New Boston who contributed 253 gallons of materials was a tribute to those who care about the proper disposal of these toxic materials. Thank you all who supported the 1987 town warrant article for the funding, and for those who helped in the educational process and the collection day.

Representatives of the New Boston Conservation Commission attend planning board meetings and review subdivision plans. The Commission is also responsible for monitoring dredge and fill applications including on site inspection. Intervention activity with the state wetlands board is sometimes necessary.

Members of the Commission have attended Beaver Brook Conservation Center lectures, land trust informational meetings and state conservation workshops.

We are presently represented on the Long Range Capital Improvemant Program of New Boston. We have been in consultation with the Piscataquog Watershed Association, the Society for Protection of New Hampshire Forests, and town officials in prioritizing town lands for protection of open space.

One of our 1988 goals is to help the town best utilize its' land for recreation, educational, and forestry programs.

1987 FORESTRY COMMITTEE REPORT

1987 has been a normal year in the life of your Town Forest, and in the management thereof as a resource the town can be proud of. The main concern of the committee is to maintain the Town Forest system and protect it against encroachment. The Landfill Project is located within the Lydia Dodge Lot - an important part of the Town Forest. The committee is not opposed to the landfill use, but wants to caution against expanded usage which must be accompanied with great care and fore-thought of the residual forest.

The old woods road leading into the landfill area is being cleared for fire truck access, it should be completed in 1988.

The Forestry Committee is working closer with the Conservation Commission. The programs that are available to them will be of more value to the town if we jointly work towards their implementation. We are looking at various pieces of Legislation, and programs that will help insure the continued use of Town Forest and other lands owned by the town. The concept of "greatest good for greatest number of people" always applies.

Respectfully submitted
Clifton LaBree
Oliver Dodge

HOME HEALTH CARE AND COMMUNITY SERVICES
January 1, 1987 - December 31, 1987

ANNUAL REPORT

In 1987, Home Health Care and Community Services continued to provide home care and community services to the residents of New Boston. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that could not be covered by other funding have been supported by your town.

The following information represents a projection of Home Health Care and Community Services' activities in your community for 1987. The projection is based on actual services provided from January through September 1987, and an estimate of useage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Services Supported Partially or Totally By the Town
Skilled Nursing	37 Visits	5 Visits
Maintenance Nursing	21 Visits	15 Visits
Child Health Nursing	0 Visits	0 Visits
Physical Therapy	3 Visits	1 Visits
Speech Therapy	0 Visits	0 Visits
Occupational Therapy	0 Visits	0 Visits
Homemaker	15 Hours	0 Hours
Home Health Aide	0 Visits	0 Visits
Medical Social Worker	0 Visits	0 Visits
Nutritionist	0 Visits	0 Visits

Total unduplicated residents served: 16

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and office consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of services provided in 1987 with all funding sources is projected to be $3,094.00.

The total cost of services provided for a partial fee, or at no charge to residents in 1987 is projected to be $2,617.00

We recommend an appropriation of $3,000 if you wish to continue home care services at the current level. Thank you for your consideration.

RECREATION COMMISSION REPORT - 1987

The year 1987 was a very exciting and busy year for the New Boston Recreation Commission especially due to the growth of the town and also the programs sponsored by the Recreation Commission.

The Winter Carnival was held at the beginning of the year. Queen Jennifer Philibotte, daughter of George and Kathy Philibotte, was proud to represent the Recreation Commission. Her Court consisted of 1st Runner-up Stacey Drew, 2nd Runner-up Laura Gallup, also the recepient of the Best Essay Award, April Byam, Lynn Neveu, Michelle Merron and Becky Winslow. A new feature of the Carnival was a Prince & Princess elected from the elementary school population. Ben MacDonald made a handsome Prince while pretty Becky Simpson was chosen Princess. At the annual family dance, all of the winners were presented with flowers, trophies and prizes.

A poster contest was held for the Winter Carnival with Seth McQuade, Meghan Ranfos and Jessica Lorranger the winners. The Theme "Disney" led to snow sculptures of all sizes on the common. "Mickey Mouse" by the Tiger Cubs and "Huey, Louie, & Dewey" by Erin Fletcher, Sarah Fletcher and Heather LaPenn tied for 1st place.

New Boston also hosted a Basketball Tournament with Hollis coming out on top.

In the "Anything Goes Race", Tommy Hooper and Andrew Backman shared first prize for the "Most Creative" and Aaron Henderson won for the "fastest". To finish up the Winter weekend, a Lip-Sinc Contest was held. The Town Hall was packed! The winners were brother and sister team, Carrie & Tim Bailey. The weekend was our best yet. Many thanks to all of you who put in time and effort to make the weekend run smoothly.

With the arrival of Spring, children hopped all over the playground looking for prizes and candy at the Easter Egg Hunt. The older children were sent on a scavenger hunt.

Field Day was a big success this year. The warm weather brought children, staff, and parents out for the day to enjoy all kinds of field events?

This year's Summer Program was our biggest enrollment ever. Under the leadership of Joyce Belanger and Bob Widger and their assistants, about 150 children participated in an exciting program. This year we added the Polliwogs Program for pre-schoolers under the guidance of Pam Jenkins and her staff. Thanks again to Corky Trimbur for taking care of our swimming lessons and to the Henderson's for the use of their pool. Many trips took place and also a Bike-A-Thon for the benefit of the Rec. Comm. We would like to take this opportunity to thank all the supervisors, bus drivers, chaperones and parents (and especially the children) for helping to make the summer a great one.

In October, the ghosts and goblins once again haunted the Town Hall. Our Haunted House was held for three days and the most successful one yet. Thanks to all who helped out, especially all of the teenagers!

Newcomers were welcomed to town in November at a tea sponsored by the Commission. Many organizations were there to demonstrate and display their many activities. This is a yearly event and we hope it will grow and become a tradition for New Boston.

The Christmas Season brought lots of joy and warmth as we lit the beautiful Christmas tree donated by Grosso Supply and the Grosso family. Thanks to Mike Stains for helping as well as the Town Highway Department in erecting the tree and stringing the lights. This was a special Christmas for the children of New Boston for Odds

Bodkin, a famous story-teller, entertained young and old alike by telling stories after the lighting. Special thanks also to the Community Church Junior Choir under the leadership of Debbie Keiner, and the High School Chorus for their lovely singing of Carols. We also want to thank the Whipple Free Library (Beulah Hayes Fund) and the Kindergarten for their financial support in bringing Odds Bodkin to New Boston.

Throughout the entire year the Recreation Commission is funded not only by the Town's Support from tax dollars but also by some very energetic and enthusiastic people. Karen Hall, Heather Lovejoy and Kathleen Simo are to be especially recognized for their great programs (Aerobics, Creative Dance and Gymnastic Floor Exercise Programs). We hope they are able to continue to provide us with these programs.

The Adults and Senior Citizens of New Boston were out and about peeping at leaves and living it up at the finest restaurants. Trips included Fuller Gardens, a drive along the Ocean in Rye, N.H., lunch at Yokens and Hancock Inn and a trip through the southern N.H. countryside. A huge thanks to our Senior member, Rhoda Hooper, for all the time and effort she puts in to these trips.

A breakfast was held in November for the two families in town that suffered from the loss of their homes due to fire. Because of the generosity and support of so many townspeople, we were able to help both families with financial aid.

This year's summer program was generously supported by the $3,000 donation made to the Recreation Commission by Joe Foistner of the Edelweiss Corp. This, in addition to the almost $24,000 raised during the year through fund raising, is a great tribute to the Town of New Boston and to all of those who support us. We need your help again this year. Let's make 1988 the biggest & best ever.

David Mudrick & the members of Recreation Comm. & Friends of Recreation

RECREATION - FINANCIAL ACCOUNTING - 1987

	Income	Expense
Bike-A-Thon	$ 1,357.00	$ 100.00

REPORT OF THE MULTI-PURPOSE BUILDING COMMITTEE

At the 1984 School Meeting, the Multi-purpose Building Committee was formed to investigate the feasibility of constructing a mult-purpose building for use of the citizens of New Boston. Following a year of research, two years of planning, and a year of construction, the Multi-purpose Building will host the 1988 Town and School Meetings.

The members of the Multi-purpose Building Committee wish to thank the following organizations for their help in planning and building this facility.

The Finance Committee
The Staff of the Central School
The Staff of SAU 19
We wish to acknowledge the special contribution of
The Board of Selectmen
The School Board
The Fire Wards

For their outstanding individual contributions, many thanks to Brian Towne - Committee Chairman and Gerry Perron - Clerk of the Works.

And finally, we wish to express our appreciation to our families for their patience and understanding throughout the project.

The Multi-purpose Building Committee
John Bunting
Bill Caldwell
Wayne Daniels
Lynda French
Sandy Gallup
Fritz Green
Elliot Hersey
Tom Mansfield
Gail Parker

1987 HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY REPORT FOR THE TOWN OF NEW BOSTON

At the Town meeting in March, Warrant Article #15 was passed to fund New Boston's first Household Hazardous Waste Collection Day with $7,000 appropriated to cover the Cost of Public Education on Hazardous Materials, Site Cost, and the Cost of Transportation, Treatment, and Legal Disposal of the collected waste by a Federally licensed Hazardous Waste Treatment Facility, namely North East Solvent Co.

The N.B. Fire Dept., the N.B. Conservation commission, and the N.B. Recreation Commission co-sponsored the program for the Town of New Boston, and the Goffstown Garden Club for the Town of Goffstown. The Collection Day was coordinated not only for the New Boston Site, but also for two other locations, Peterborough and Hillsboro. A total of 60,000 residents were given a safe and legal alternative to disposal of Household Hazardous Waste, instead of being thrown down drains, onto the land, and into our drinking water. The Collection Day was scheduled for September 19th at the Hillsborough County 4-H Youth Center, on River Road, from the hours of 10 am to 1 pm.

The program consisted of educating the public on Hazardous Chemicals in the home, set up a Chem-Swap project, and organizing the Collection Day. The dates and data listed below are components of the Household Hazardous Waste Collection Day Program.

June 1st a list used by Inspector Hazard was given to the 2nd and 5th graders at the New Boston Central School.

June 5th a Household Chemical list for the collection day, and a list of natural alternatives accompanied the June issue of the New Boston Better Times.

June 16th a talk was given at the New Boston Central School, for the 2nd and 5th graders concerning Inspector Hazards list of Hazardous Chemicals in the home.

July 17th a booklet on household chemicals and their hazards, along with the Chem-Swap project information, was sent to all New Boston residents.

August 6th a public informational on household chemicals was held at the Goffstown Garden Club's meeting, for New Boston and Goffstown residents.

August 20th sent out to all New Boston residents was a Household Hazardous Waste Collection Day fact sheet, a list of what chemicals would be accepted and what would not be accepted, how to package the chemicals for transfer, and a list of household products health effects and solutions from the American Lung Assoc.

September 5th information concerning the collection day accompanied the New Boston Better Times, which was sent to all New Boston residents.

September 15th a public informational at 7:30 pm was held at New Boston Town Hall, dealing with the issues of protecting our irreplaceable water supply, environmental sacrifices, and our personal health. The collection days events and how to package the chemicals safely for transfer to the Collection Site, were also discussed.

September 13th through the 19th was proclaimed as Household Chemical Awareness Week for the Town of New Boston by the Selectmen.

September 16th the subject of Chemicals in the home and their potential hazards was discussed with the 2nd, 4th, 5th, and 6th graders at the New Boston Central School. The students in this school proved to be very aware of the problems of disposing hazardous chemiclas within their environment, and the need to protect the balance of that environment for future generations.

September 19th the Household Hazardous Waste Collection Day was held, with great success.

Newspaper coverage was excellent from June to September with constant articles pertaining to the Collection Day from the Goffstown News.

The T.V. coverage was on Ch9, Ch11, and Ch21. The information of the Collection Day was during the stations Community Calendar segment.

The radio stations WOKQ, WGIR, and WFEA also relayed the information on the Collection Day.

Posters and information were at 8 locations throughout the Town of New Boston from June to September.

The results of the Household Hazardous Waste Collection Day are as follows;

North East Solvents Co. bill to the Site of New Boston.

Set-up Fee	$ 1,833.33
Miscellaneous Chemicals	$ 2,750.00
Aerosols	$ 600.00
Debris/Miscellaneous Waste	$ 750.00
Consolidated Oils	$ 600.00
Pesticides	$ 500.00
Paint (Consolidated)	$ 600.00
Total	$ 8,633.33

The Town of New Boston's Bill to the other participating towns are as follows:

Site Fee Cost =$1,833.33

New Boston	46.5% X $1,833.33=$852.50
Goffstown	46.5% X $1,833.33=$852.50
CVHTWCC	7.0% X $1,833.33=$128.33

Hazardous Waste Cost=$6,800.00/413 gal.=$16.46

New Boston	253 gal. X $16.46/gal.	=$4,165.87
Goffstown	166 gal. X $16.46/gal.	=$1,909.62
CVHTWCC	44 gal. X $16.46/gal.	=$ 724.51
Total	413 gal.	$6,800.00

Total Amount Due $8,633.33

TOTAL $1,833.33 + $6,800.00=$8,633.33

New Boston	(Site Fee) $852.50+	(HWC) $4,165.87	=$5,018.37
Goffstown	(Site Fee) $852.50+	(HWC) $1,909.62	=$2,762.12
CVHTWCC	(Site Fee) $128.33+	(HWC) $ 724.51	= $ 852.84

TOTAL $1,833.33 + $6,800.00=$8,633.33

Residences Participation	New Boston	66 =70%
	Goffstown	22 =23%
	CVHTWCC	6 = 7%
	Total	94 100%

Gallons of Hazardous Waste	New Boston	253 gal. =61%
	Goffstown	116 gal. =28%
	CVHTWCC	44 gal. =11%
	Total	413 gal. =100%

New Boston's Residences Participation
66 Residences/860 total residences =7.6%

New Boston Residences Average Waste Contribution
253 Total Gals. Collected/66 residences=3.8 gals.

The total cost to the Town of New Boston is as follows:

Public Education Expense	$ 537.02
Hazardous Waste Expense	$5018.37
Miscellaneous Expense	$ 149.50
Total	$5704.89
Battery Salvage	$ 16.20
N.H. Superfund Reimbursement	$ 328.00
Amount received to subtract from expenses	$ 344.20

Total expenses $5,704.89 - $344.20=$5,360.69

Appropriated Money $7,000.00 - Total Expenses $5,360.69=$1,639.31 (to be returned to the Town's General Fund). There was $382.00 worth of free printing for mail-outs.

The Town of New Boston's first Household Hazardous Waste Collection Day was a complete success in terms of the amount of Hazardous Chemicals collected, Town Participation, and Environmental Balance Awareness. This major program entailed many meetings in New Boston and Hancock, and many long hours (from Jan. - Sept.) in planning, organizing, and coordinating this important and Necessary Issue. Hopefully the Town of New Boston will make this an annual event to ensure a clean and safe Environment for our Children's children. So if you happen to see anyone from the New Boston Fire Dept., New Boston Conservation Commission, or the New Boston Recreation Commission, please say thank you for caring, and while you're at it thank yourself also for caring, because of your participation it was well worth all the hard work and effort.

Respectfully Yours
Michael S. Richard
NBFD Local Co-ordinator

NEW BOSTON SCHOOL DISTRICT WARRANT

Election of Officers

1988

The State of New Hampshire

To the Inhabitants of the School District in the town of New Boston qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NEW BOSTON CENTRAL SCHOOL IN SAID DISTRICT ON TUESDAY THE EIGHTH DAY OF MARCH, 1988, AT TEN O'CLOCK IN THE FORENOON, TO CAST BALLOTS FROM THAT HOUR OF SAID DAY UNTIL SEVEN O'CLOCK IN THE EVENING, FOR THE FOLLOWING SCHOOL DISTRICT OFFICERS:

1. To choose a member of the School Board for the ensuing three years.
2. To choose one Auditor for the ensuing two years.

Given under our hands at said New Boston this eighth day of February, 1988.

Frederick Green, Jr.
Leslie Colburn
Cathleen Strausbaugh
School Board

NEW BOSTON SCHOOL
1988 DISTRICT WARRANT

To the Inhabitants of the School District in the town of New Boston qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE NEW BOSTON CENTRAL SCHOOL MULTI-PURPOSE ROOM IN SAID DISTRICT ON FRIDAY, THE FOURTH DAY OF MARCH, 1988, AT SEVEN O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.

2. To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To see if the District will vote to authorize the School Board to make application for and to accept, in behalf of the District, any and all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States, and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20-B, or take any other action in relation thereto.

4. To see if the District will vote to raise and appropriate the sum of Eighty Thousand Dollars ($80,000.00) as a deficit appropriation to the 1987/88 appropriation for the purpose of meeting the unanticipated expense of the District.

5. To see if the District will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) for the installation of a fire alarm system in the original portion of New Boston Central School to meet the requirements of the New Boston Fire Code.

6. To see what sum of money the District will raise and appropriate for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory and contractual obligations of the District.

7. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID NEW BOSTON THIS EIGHTH DAY OF FEBRUARY, 1988.

Frederick Green, Jr.
Leslie Colburn
Cathleen Strausbaugh
School Board

MINUTES OF THE NEW BOSTON SCHOOL DISTRICT MEETING
March 6, 1987

The 1987 School District Meeting was called to order at 8:00 p.m., March 6, 1987 in the New Boston Town Hall by School District Moderator David Woodbury.

Frederick Green made a motion to recess the meeting and immediately to reconvene at the firehouse. Karen Kelly seconded and the motion passed. The School Board and those present then proceeded to the firehouse.

The meeting was reconvened by the Pledge of Allegiance, led by Frederick Green. Linda French led in prayer.

Moderator Woodbury introduced the School Board members - Frederick Green, Karen Kelly and Leslie Colburn; School Board Attorneys, Doug Hatfield and Margaret Ann Moran; New Boston Central School Principal, Richard Matthews, and from the School Administrative Unit #19, Ken Greenbaum, Darrell Lockwood, Dr. Elizabeth O'Reilly and Timothy Gormley.

The checklist supervisors and ballot clerks were introduced and voting procedures explained.

Mr. Green thanked Chief Dodge for the use of the firehouse and Mr. Jamrog and the sixth grade for setting up all the chairs. John Colburn was commended for the platform built for the evening. Moderator Woodbury introduced State Senator Sheila Roberge in the audience.

Frederick Green made a motion to waive the reading of the warrant in full at this time, explaining that each article would be read prior to being acted upon, Karen Kelly seconded and the motion passed.

Article I

Brian Towne moved that the district raise and appropriate the sum of One million, Six Hundred Thousand dollars ($1,600,000) for the construction of a multi-purpose building and classroom addition, to be constructed on the north side of the existing school on land currently identified as the former Victor J. and Katherine Daniels land. Said construction pursuant to plans and specifications approved by the school board, a copy of which is on file at the School Administrative Unit #19 office. Funds raised and appropriated to also include furnishings and equipment, architectural and other fees, site acquisition, site development, and other items incidental to and necessary for such construction, and to raise said sum by the issuance of sale of bonds or notes in accordance with the provisions of the revised statutes annotated of New Hampshire as amended. The time and place of payment of interest, rate of interest, provisions for sale of notes or bonds and all other matters in connection therewith, to be left to the discretion of the school board, and further, to specifically appropriate to the payment of the costs of said construction any interest which may be earned on the proceeds of the sale of the bonds or notes or any premium therefrom. It was seconded by Frederick Green.

At the request of the Chairman of the Building Committee, Brian Towne, Frederick Green was recognized to lead the Building Committee's presentation.

Tom Mansfield spoke for the Selectmen and presented a projected tax increase: if the building is accepted - 1987/$37.75, 1988/$41.32, to decrease from there and stabilize at approximately $37.75.

Discussion ensued and many questions were answered by the Board, the Committee, David Lopatich, the architect, and Fred Baybutt, the building contractor.

Jan Nixon spoke for those who volunteer on any committees in town and

commended them for years of children following their parents in working in town affairs. She asked that each person voting keep in mind that whatever benefits the children in town ultimately benefits the whole town and its future. She received a standing ovation.

Moderator Woodbury gave the instructions for voting and asked for questions relating to voting procedures.

Voting on the bond was taken by secret ballot. The voting booths were opened at 9:55 p.m. and closed at 11:15 p.m. The vote was 278-yes and 112-no.

Article II

Frederick Green moved to see if the District will vote to authorize the School Board to accept a portion of the tract of land identified as the former Victor J. and Katherine Daniels land. Karen Kelly seconded and the motion passed.

Article III

Leslie Colburn moved that the school district authorize the present Building Committee to continue in service until completion of the construction of the multi-purpose building and classroom addition. Karen Kelly seconded the motion, and it passed.

Article IV

Laura Peach moved to see if the District will raise and appropriate the sum of Seventy-Three Thousand, Three Hundred Sixty-one Dollars ($73,361) for the purpose of providing a half-day Public Kindergarten to be added to the existing New Boston Elementary School program. Expenditures to include funding for staffing, supplies, transportation and other items incidental to and necessary for the provision of a public school kindergarten program, or to take any other action in relation thereto. Seconded by Karen Kelly.

Laura Peach, Chairman of the Kindergarten Committee presented the committee's views.

Mrs. Hersey responded to questins. Betsey Dodge and Brandy Vandenburg spoke in opposition to the motion. Ed Colburn spoke for the finance committee and their recommendation to the voters against the expenditure requested in Article IV. The motion was voted on and it did not pass. 170-no, 88-yes.

Article V

Roland Sallada moved to determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers and agents of the District. It was seconded by Leslie Colburn. As many people were leaving Moderator Woodbury reminded them the budget was yet to be voted on.

Discussion followed and the motion passed.

Article VI

Karen Kelly moved that the reports of Agents, Auditors, Committees, or Officers be accepted as presented or printed in the Town Report. Seconded by Frederick Green, and passed.

Article VII

Leslie Colburn moved that the present Kindergarten Study Committee be reappointed to continue the study of public kindergarten in New Boston, continuing with the same charge as at the 1986 meeting, and to authorize the school board to appoint any vacancies which might occur in the committee. Seconded by Karen Kelly. Discussion followed as to the need of this committee any longer. John Ballou moved the question, seconded by Ted Olsen. The motion passed.

Article VIII

Karen Kelly moved to see if the District will vote to authorize the School Board to make application for and to accept, in behalf of the District, any or all grants of offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States, and/or any other source, and to appropriate any funds received to the payment of obligations of the District for which said funds constitute full reimbursement in accordance with RSA 198:20-B, or take any other action in relation thereto. Frederick Green seconded and the motion passed.

At this time, as a point of order, Paul Keiner questioned if a standing vote could be taken to confirm the moderator's ruling on the voice vote on article VII. The moderator ruled that a standing vote be taken. 118-yes, 62-no.

Article IX

Frederick Green moved that the district raise and appropriate One Million Six Hundred Thirty Three Thousand, Four Hundred Forty Three Dollars ($1,633,443) for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory and contractual obligations of the district. Leslie Colburn seconded the motion.

Mr. Green stated some corrections in the Town Report and then presented the budget and noted additions mostly due to the operation of the new building, increased staff, and salary increases.

Discussion ensued at which time Edward Colburn made the motion on behalf of the Finance Committee, to move to amend the grand total of the School District operating budget by a reduction of $46,477.29 which is 3% of the grand total published in the town report.

Maureen Ryan seconded. The amendment was voted down. The main motion was voted in the affirmative.

William Dodge moved that future school meetings be scheduled for 7:00 p.m. instead of 8:00 p.m. Seconded by Ted Olson and voted in affirmative.

Frederick Green moved to adjourn. Seconded by Leslie Colburn. Motion passed. The meeting was adjourned at 1:45 a.m.

Respectfully submitted
Nonah Poole
School District Clerk

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New Boston:

The 1987/88 school year opened with a general meeting of all school boards and staff. That meeting was held in New Boston and served as the initial meeting to set the tone for our year in working with the children. This year our theme was "Striving for Excellence in New Hampshire".

In order to focus our efforts to make real gains towards excellence in our schools, the SAU #19 School Board and all of the member district boards have identified goals and objectives for us to work on during the year. In attempting to meet these goals and objectives, we have found ourselves extremely busy in this past year with activities such as: curriculum work, building projects, plans for building projects, review of the new state educational standards, completing the transition of the John Stark Regional and Weare School District to SAU #24, and searching for new staff due to increased pupils and educational programs in all of the member districts of SAU #19.

It is always difficult to determine what of the many staff efforts undertaken in the schools of the districts in the areas of curriculum identification, review, and development to highlight in an annual report. This past year has seen significant work in two (2) "newer" areas of the curriculum, however, and I would like to bring them to your attention. They are Gifted and Talented Education, and Health and Wellness.

The new school edition with the multi-purpose room has become a reality this year and not only are the school childen benefiting greatly from this effort, but a number of adult groups and other town organizations have worked together cooperatively to make the most use of the new facilities to benefit the whole town.

This past year has seen major changes in the administrative team in SAU #19. Most of the changes have been as a result of professional advancement and career growth. Assistant Superintendent Kenneth Greenbaum has become Superintendent of Schools in SAU #45, Moultonborough, New Hampshire, and Business Administrator Darrell Lockwood has become an Assistant Superintendent of Schools in SAU #16, with supervising responsibilities for a group of districts in that SAU. This past year saw the passing of Dr. Elizabeth C. O'Reilly, Assistant to the Superintendent of Schools for Special Needs. Dr. O'Reilly's wisdom and commitment to children will be greatly missed by the district, its children, and myself personally. An educational scholarship fund has been established in her honor, and thus she will perpetually continue to help people through education.

With the help of comprehensive search teams, I have been able to present for nomination and the SAU #19 Board has elected: Carmine C. Giangreco, Assistant Superintendent; Nancy E. Burgess, Business Administrator; and Carol A. Kingston, Assistant to the Superintendent for Special Needs.

All of the member districts in SAU #19, although unique in many respects, have profited by working together and sharing the ideas of individuals in a team effort to help all of our schools move forward on the path toward excellence.

I wish to express my appreciation for the assistance and cooperation provided me by the administrators, teachers, School Board, and citizens of New Boston. Without this assistance and cooperation, many of the things accomplished would have been left undone, and I look forward to another prosperous year — a year of continued cooperation and progress.

Respectfully submitted
Timothy S. Gormley
Superintendent of Schools
N.H. School Administrative Unit #19
Bow, Dunbarton, Goffstown, New Boston

NEW BOSTON CENTRAL SCHOOL

Richard Matthews, Principal

Although "Striving for Excellence" is the theme for the 1987-88 school year, the New Boston School district has and will continue to strive to exhibit excellence in education. As this report outlines significant developments pertaining to the educational system in New Boston, one must note these positive developments were only possible with the support of the staff, students, School Board, and community of New Boston.

The 1987-88 school year began with a higher grade one enrollment than projected. After closely reviewing the individual needs of the children in these classes, the decision was made to employ a third grade teacher in November. A low student-teacher ratio at the beginning of school is extremely important to ensure a successful year for students in first grade.

In an effort to make more effective use of school building and facilities, the voters of New Boston supported an addition to the existing school of five classrooms, a school library, and a multi-purpose building consisting of gym/cafeteria, locker rooms, kitchen and stage. At this time, the five classrooms and library are occupied, and the multi-purpose building is near completion. Having these new facilities will pave the way to many new programming possibilities for curriculum.

A variety of technologies are being used to create new opportunities for the students of New Boston during the learning process. Knowing that planning and training are a vital part of effective programming, staff members in grades two to six are participating in the "Computers for Teachers" as part of the Governor's Initiative for Excellence in Education.

Development of a Math curriculum is a focus point for the 1987-88 school year. Analyzation of achievement tests given to grades 2, 4, and 6 highlight math as a key area for curriculum development.

School enrollment continues to grow. The January, 1987 enrollment was 232 compared to the 267 students currently attending New Boston Central School. Next year there are a minimum of 61 students entering first grade. The distribution of students at New Boston Central School is as follows:

Readiness	—	14
Grade 1	—	49
Grade 2	—	41
Grade 3	—	44
Grade 4	—	41
Grade 5	—	44
Grade 5	—	44
Grade 6	—	34
		267

As Principal of New Boston Central School, I wish to express my appreciation for the support given by the community of New Boston, School Board, staff, and students.

ANNUAL SCHOOL HEALTH REPORT

September 1986 - June 1987

In September, I received my Certification for School Nursing. Seven school nurses in New Hampshire completed and passed the first pilot program offered to school nurses across the country.

Inspections were made on all students on the first day of school for head lice. We were extremely lucky this year with only a few cases found.

Also in October, each child was weighed and measured for yearly growth. Annual screenings continued during the fall for vision, hearing and scoliosis (curvature of the spine).

During December, the flu bug hit Central School and was equally shared by all grades. We returned from our long Christmas vacation healthier from the flu but were then hit with the chicken pox. By the end of May, 62 students had come down with the chicken pox, leaving only six kids in the entire school pox free.

In February, we renewed our fluoride rinse program in the classrooms. This was sponsored by the State of New Hampshire and The Joe English Grange. Ninety-nine percent of the children participated in this program. We were unable to find a dental hygienist this year but plan to resume that program next year.

In May, a preschool vision and hearing clinic was held at the New Boston Community Church. The clinic was sponsored by the State of New Hampshire and Little People's Depot Kindergarten. A total of 51 preschoolers were checked.

Registration and Screenings of incoming readiness and first graders was held in May. Forty-three students were registered for the fall of 1987.

Health classes this year included a Red Cross Basic First Aid Class for sixth grade students with certificates awarded at Promotion Exercises. Second graders began a weekly "Health Flash" class covering a variety of subjects. Health class for the fifth graders concentrated on the human body and how it works, culminating with an outstanding exhibit at the Projects Fair in April.

In conclusion, grateful thanks to those who wear my "nurse's cap" on my days off...Mary Reeves, Mary Statt, Charry MacDonald, and Principal Rick Matthews. A special thanks to the teachers, parents, and the School Board for their support this year. And lastly, the children of New Boston who continue to make my job humorous, busy and enjoyable.

Healthfully yours,
Anne B. Christoph, R.N.
School Nurse

ANNUAL SCHOOL HEALTH REPORT

September 1986 - June 1987

Statistics

Total Recorded Visits to Health Office - 2,096
